

Obituary

Born: Wednesday, December 25, 1985

Died: Sunday, April 28, 2019

Douglas Scott Coslet, 33, a star too bright to shine forever, passed away on Sunday, April 28, 2019. He was born on December 25, 1985 in Valparaiso, IN. He is preceded in death by his beautiful mother Helen Stacy Coslet and his grandparents. He is survived by his loving father Scott, sister Holly, partner, Jessica Deiotte, and an immeasurable number of relatives and friends.

Douglas had a true passion for adventure and an enormous heart. Douglas adored his friends and family, making music and art, and collecting vintage cymbals to curate several perfect drum sets. He also loved riding and restoring motorcycles, wrenching in the garage with his dad, racing BMX, swimming and skim boarding at the beach. As a lover of nature Douglas could often be found scouring the beach for fossils, mushroom hunting, or taking on an outdoor project. He was a beautiful soul who would go out of his way to help anyone in need and had a way of genuinely connecting with people of all walks of life. Those who were fortunate to know Douglas and call him a friend or family know how special and supportive he was. Never afraid to offer up a hug, words of encouragement with the perfect balance of head and heart. Our world was so much brighter with Douglas' presence, but we will carry him on in our hearts, where he's bound to have the same effect.

The family will receive friends on Friday, May 3, 2019 from 3 p.m. until 7 p.m. at White-Love Funeral Home, 525 S 2nd St., Chesterton, IN. There will be a private burial at Chesterton Cemetery.
